

Parental Leave

HR · classification: Internal

Parental Leave (HR)

===== Birth mothers receive 26 weeks of paid leave, extendable by 8 weeks unpaid. Non-birth parents receive 10 working days, usable within 6 months of birth. Adoptive parents of a child under 12 months receive 12 weeks. Flexible return-to-work offers reduced hours for the first month after a long leave. Managers may not deny statutory parental leave under any circumstance.
