

Leave Policy 2024 (Superseded)

HR · classification: Internal

Leave Policy 2024 (Superseded) (HR)

===== STATUS: SUPERSEDED - this revision is retained for audit only. The current revision is the Leave Policy 2026; do not apply the numbers below. Under the 2024 revision employees earned 21 days of paid leave, up to 4 unused days could be carried forward, and planned leave needed 5 days advance notice. Maternity leave was 24 weeks and paternity leave 5 working days. Queries against leave balances must always cite the 2026 revision.
