

Onboarding Checklist

HR · classification: Internal

Onboarding Checklist (HR)

===== Before day one: contract signed, background verification cleared, accounts requested, buddy assigned. Day one: badge and laptop issued, mandatory trainings assigned, policies acknowledged in the HR portal. Week one: department orientation, tooling access verified, goals agreed with the manager. Month one: 30-day check-in, probation objectives set, payroll and benefits confirmation. The checklist closes when all items are evidenced in the HR system.
