Data Privacy Policy (DPDP) (Legal)

===== Personal data is processed only for specified, lawful purposes and retained only as long as needed (DPDP Act 2023 principles; GDPR aligned for EU contacts). Data-subject requests - access, correction, erasure - are routed to the privacy office and answered within statutory timelines. Processors are engaged only under data-processing agreements. Cross-border transfers use approved mechanisms. Breach notification follows the incident process with a 72-hour assessment clock.
